

Environmental Policy Statement

Bourne Skip Hire and Recycling Ltd (the Company) attaches the highest priority to the protection of the environment in relation to its activities with specific focus on reduction to landfill, maximising recycling and energy reduction of wastes received at both of the company’s sites located in Bourne and Peterborough.

As part of the Company’s commitment to environmental performance, an environmental management system has been implemented in-line with the internationally recognised environmental standard, ISO 14001:2015. It is our policy and commitment to:

- Comply with all relevant regulatory requirements and legislation
- Carry out and maintain an Environmental aspects and impacts evaluation identifying the significant aspects of the company’s sites and activities along with the appropriate measures to reduce and control those impacts protecting the environment, including prevention of pollution
- Carry out our operations with consideration to relevant interested parties including the local community, minimising as far as reasonably possible waste to landfill
- Establish set and review environmental objectives at annual Management System Review meetings to keep up to date with new innovations, equipment and as and when opportunities are identified to aid the improvement of our environment and our services
- Seek continual improvement by regular review and performance monitoring of the Company’s Environmental Management System to enhance environmental performance
- Improve resource efficiency including the use of water, energy and raw materials
- Work closely with our Environmental advisors and regulators to improve our overall environmental performance.
- Ensure employees and others working for the Company, act in accordance with this policy and have the relevant competences to fulfill their environmental responsibilities

The Director of the Company is ultimately responsible for this policy and its review for continuing suitability. However, it is the responsibility of every employee and others working for Bourne Skip Hire and Recycling LTD to ensure they adhere to the commitments set out in this policy statement.

Signed

Chris Seggie
Managing Director
